POLITERM SPEAKS HINDI

Edilteco Group is proud to announce that, following the Partner Licensing Agreement signed by Paolo Stabellini with FutureFab Pre-Engineering Solutions, the Politerm production facilities have been installed in India. At the presence of Viral Sheth (Managing Director) and Hemal Sheth (Sales Director), the first Politerm bag was manufactured on 16 June 2010. With offices in Mumbai, factories in Gujarat State and Sales network spread in territory, FutureFab Pre-Engineered Solutions represents the ideal partner for the promotion of light weight thermal insulating mortars in the fast growing economy of the Indian market.
