EDILTECO GROUP EXHIBITS AT BIG5 INTERNATIONAL BUILDING AND CONSTRUCTION SHOW IN DUBAI

From the 5th to 8th of November Edilteco Group will participate to the most important exhibition of construction of the Middle East.

From the 5th to 8th of November 2012 in Dubai will take place the Big5 International Building and Construction Show. This is an important occasion where the most important names in the sector of international developments will meet to present the news and the most diversified range of products and systems for the construction industry, with a particular focus on Green Building. Given the quality of products and services offered and the increasingly strong tendency towards internationalization, Edilteco Group will be present in Hall 1 stand C31.
